ROSE HAVEN HERITAGE GARDEN
30th ANNIVERSARY

Offering an Opportunity for you to

"Help Us Grow Our Garden"

In 2020 the Temecula Valley Rose Society kicked off a fundraising campaign to support our 3-year master plan for renovation, improvements and new features to the Garden. We are excited to announce a significant new addition will be the Boos Courtyard Labyrinth, which will include a 24' walking labyrinth encircled with 220 commemorative engraved Donor Bricks. This is an outstanding opportunity for members of our community to join the "Help Us Grow Our Garden" campaign, be recognized as a donor, and become a permanent part of this enchanting Garden enjoyed by so many over the years.

Privately owned and maintained by the non-profit Temecula Valley Rose Society, our 3.4 Acre garden was established in 1991 when society members planted the first 800 roses. Evolving over the years, expansions have included 1900+ additional rose bushes, various trees, companion and native plant species, hilltop gazebo, walking paths, picnic area, education pavilion, "Tree of Life" planting and education garden, newly improved "Hall of Fame" garden, and a recently renovated reflecting pond with a waterfall.

The Temecula Valley Rose Society endeavors to build community connections through nature, and schedules educational seminars and demonstrations throughout the year for children, families, and rose garden enthusiasts. The Temecula Valley Rose Society has membership in Temecula Valley Chamber of Commerce, Visit Temecula Valley Visitors Bureau, American Public Gardens Association, and is an affiliate of the American Rose Society. Rose Haven Heritage Garden is a Certified Wildlife Habitat and a Temecula Valley Community highlight.
